

Aspen Refrigeration Breakdown Questionnaire

To review your request to add refrigeration breakdown coverage to the policy the following information is required:

What is the drivers experience in transporting commodities that require refrigeration?

What is the percentage of shipments that will now be refrigerated?

Commodities Transported

Commodity	Average/Maximum Amount Per Load	Percentage of Load

Trailer Information

Trailer Year	Make	VIN

The maximum allowable age for trailers and/or reefer units is 8 years.

Please note that the following is not covered:

2. **Coverage Limitations** -- "We" only cover loss to "perishable stock" caused by "spoilage" when the refrigeration or heating unit of a "vehicle" transporting covered property has a sudden or accidental breakdown or malfunction.

3. **We Do Not Cover** -- "We" do not pay for loss caused by breakdown or malfunction:

a. that results from the failure to maintain adequate fuel levels for the refrigeration or heating unit; or

b. of a refrigeration or heating unit if "you" or a service representative do not inspect a vehicle's refrigeration or heating unit at least once each month.

4. **Coverage Condition** -- "You" must maintain a record of each inspection of a refrigeration or heating unit and retain the records of the inspection for at least one year. "You" must provide "us" with all records that relate to a loss and permit copies and abstracts to be made from them.

Please refer to the policy terms and conditions for a complete list of coverage's and exclusions.
