### ADDITIONAL REQUIREMENTS

1. Current/Valid mvr's for all drivers and owners dated within 30 days
2. 3 Years of currently valued loss runs.  
If the risk has less than 3 years of prior coverage, the New Venture Supplement form is required for the applicant, the owner, and each individual driver
3. If the loss runs are not available at the time of quoting a signed no loss warranty letter is required.  
Hard copy loss runs will be required within 30 days from binding. Any risk that has a prior loss is mandatory to provide current/valid loss runs at the time of quoting.
4. IFTA reports may be required depending on the radius of operation and information disclosed in the CAB report.

5. FLEET ACCOUNTS WITH UNITS WITH 5 OR MORE UNITS will require the following in addition to the above requirements:

- a) Auto Liability Fleet Supplement
- b) Vehicle Schedule and Driver list -
- c) Unit history for the past 3 years by policy year
- d) A current income/balance sheet may be requested by the underwriter.

- Please make sure that all information on the application is accurate and complete to ensure timely processing of your submissions.
- Please verify the risk qualifies for our program's appetite (based on program guidelines ie: radius, commodities)
- We are unable to provide quotes on risks with incomplete applications.
