

ATM Program Guide

Carriers, Commissions and Contacts

Transportation

The ATM
Transportation division
includes coverage for General
Liability, Auto Liability, Physical Damage,
Trailer Interchange and Cargo. Our Liability risks are
available for operations domiciled in the 10 western states. Cargo
coverage can be written monoline and includes risks nationwide. With access to
four exclusive programs, our transportation division is second to none.

Access to the transportation division is limited and requires a separate approval in addition to the appointment.

Homeowners

We partner with top-tier insurance carriers that offer specialized programs for homeowners and a concierge of services to help mitigate and minimize losses. Our professional staff can secure the best insurance products required to address the unique exposures that come with a high-value home. We can also package additional coverages to eliminate any gaps in coverage. Packaging additional lines of coverage is also a great way to save your clients money.

Professional Liability

Professional liability insurance, also known as Errors and Omissions (E&O) coverage, focuses on liabilities resulting from the actual services a business provides, rather than general business-related liabilities. Many business owners mistakenly believe that professional liability insurance is not a necessary addition to their business insurance coverage. However, what seems like a very small error can turn into a costly and devastating lawsuit for a small business owners.
